

Content

1. Global methanol production and consumption 2003-2004	1
1.1 Production	1
1.2 Consumption	4
2. A 10-year review of China methanol industry (1995-2004)	5
3. China's methanol supply analysis	7
3.1 Supply-demand balance in China (2003-2005)	7
3.1.1 Major methanol producers in China in 2004	8
3.1.2 China's Methanol Capacity Expansion 2004-2005	11
3.2 Import & export stats 2003-2005	14
3.2.1 Major overseas suppliers	15
3.2.2 Major Chinese importers	16
3.2.3 Analysis of producers and buyers.....	18
3.2.4 Customs analysis 2003-2005	20
3.2.5 Trading mode analysis 2003-2005	21
3.3 Supply forecast of 2005.....	21
4. Methanol demand in China	22
4.1 Main methanol applications 2003-2004	22
4.2 Main consumption regions 2003-2004.....	25
4.3 Demand forecast 2005	25
5. The methanol market in 2004.....	26
5.1 Price curve 2004-2005	26
5.2 The methanol market movement in 2004	27
5.3 Events in 2004.....	29
6. Factors affecting methanol prospects	32
6.1 Positive factors	32
6.2 Negative factors.....	32
7. Methanol price forecast 2005.....	33
8 About methanol.....	33

8.1 Physical & chemical properties.....	33
8.2 Major raw materials and production technology	34
8.3 Main applications:.....	34
Appendix:	35
1. Main producers in China.....	35
2. China's main traders.....	36
3. Main downstream users	37
